Legend

- Garbage Bin - Even #
- Garbage Bin - Odd #
- District Boundary
- Block Boundary

This map supports solid waste management in Za'atari Refugee Camp. As only 50% of bins will be collected at any time, bins in each block are numbered sequentially from left to right, so even and odd numbers are uniformly distributed.

Note: Some bins are located right next to each other. For map visualization purposes, these bins have been spaced apart 5 meters so that icons do not overlap.
